# THE PROBLEM AND CURRENT *solutions*

IS COOKING A HASSLE OR A HOBBY?

# FEATURES

Recipe by image

Personal  
calendar

Culinary  
preferences

Make a shopping  
list and buy  
groceries

# OUR SOLUTION

Less thinking

Less planning

More Fun Cooking

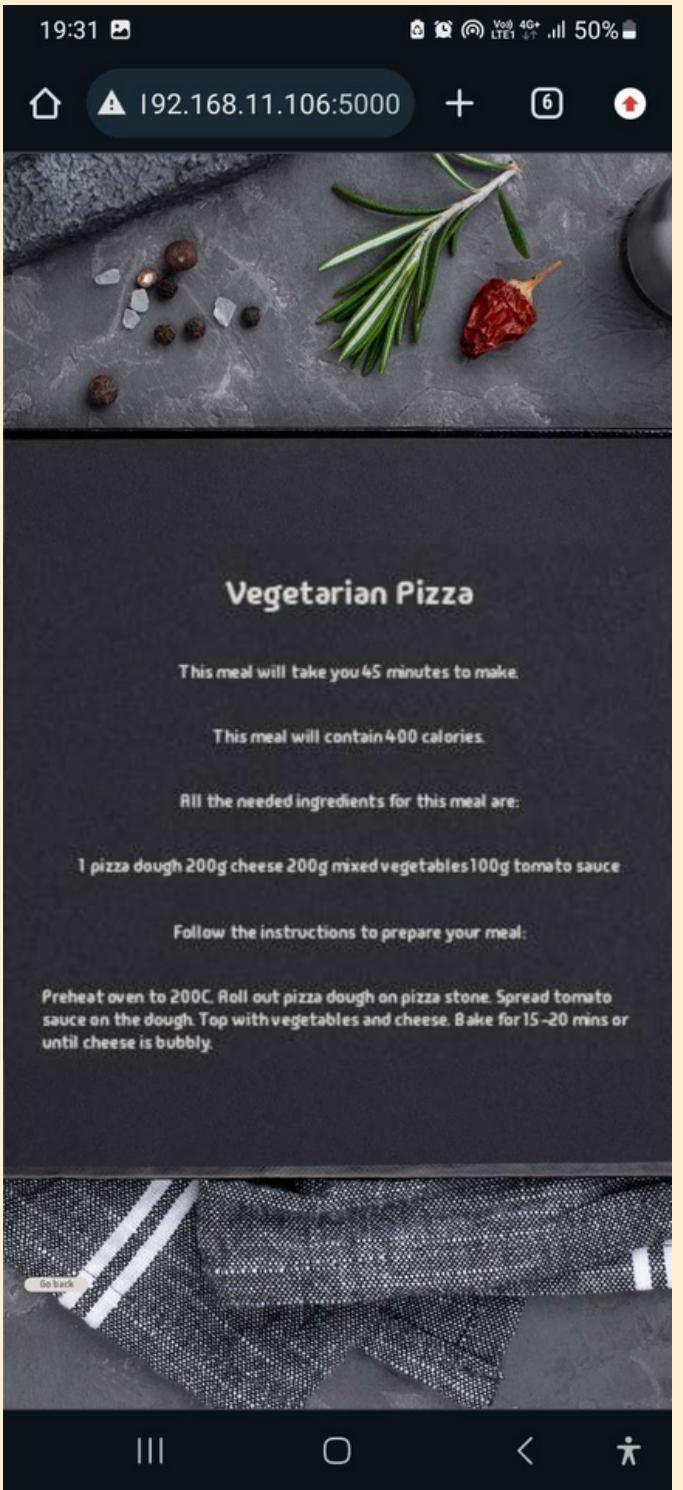

# How does it work

- Users input their dietary preferences, allergies, time for cooking and the system offers tailored weekly menus
- It also generates recipes based on photos of ingredients or dishes.
- Furthermore, DishEat provides the option to send an email with an order list for the ingredients of the selected recipe.
